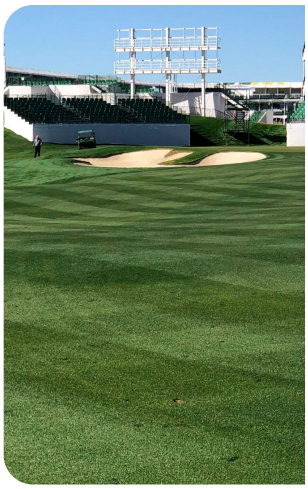
Jackrabbit

Kentucky Bluegrass

SEEDS & SCIENCE



Description

Jackrabbit Kentucky Bluegrass (Poa pratensis) (PST-K10-106D) is a Julia-type that jumps out of the ground and starts spreading - ideal for sod growers, sports fields and home lawns. It also has excellent turf quality under all maintenance regimes (excels under low maintenance and in high stress environments). Jackrabbit is an A-List cultivar that shows low maintenance performance, and is one of the few Julia types on the market, known for superior wear tolerance. Jackrabbit has a dark green color, which it retains into the winter and early spring green-up. This cool season growth helps reduce Poa annua invasion. It demonstrates high resistance to a broad range of diseases including Summer Patch, Dollar Spot, Leaf Spot, Crown Rust and Stem Rust.

Key Features

- A-List Cultivar
- Resistance to Broad Range of Diseases
- Superior Wear Tolerance
- Long Season of Growth

Alliance for Low Input Sustainable Turf® (A-LIST®), a non-profit that evaluates and promotes turfgrass varieties needing less water, pesticides, and fertilizers. Through rigorous testing, A-LIST® ensures our approved grasses excel in performance and sustainability.

Competition Grade® provides elite genetics for athletic fields, ensuring fast establishment, wear tolerance, and disease resistance. Tailored for field managers, it offers resilient, high-quality grass that enhances safety, aesthetics, and reduces maintenance costs.

Ratings

Scale 1-9, where 9 = best or most pronounced

Additional Specs

General Characteristics

Establishment (Days)	14-21

First Mowing (Days)	21-28
Endophyte + (Yes, No)	No
Germination (Days)	6-10
Mowing Frequency (Per Week)	1
Nitrogen Requirement (Low, Med, High)	Low
Segment	Turfgrass
Species	Kentucky Bluegrass
Sci. Name	Poa pratensis

Seeding Information

Approx. Seeds/Lb.	1250000
Approx. Seeds/Kg.	2750000
Seeding Rate - Alone/New (Kg./Hectare)	100-200
Seeding Rate - Alone/New (Lbs./Acre)	90-175
Seeding Rate - Overseed (Lbs./1000 sq. ft.)	1-1.5
Seeding Rate - Interseed (Lbs./1000 sq. ft.)	1-1.5
Seeding Rate - Interseed (Kg./100 sq. meters)	.5-.75
Seeding Rate - New (Kg./100 sq. meters)	1-2
Seeding Rate - New (Lbs./1000 sq. ft.)	2-4
Seeding Rate - Overseed (Kg./100 sq. meters)	.5-.75
