DEER CREEK® SEED BY DLF

Prime Time Brassica Food Plot Mix

Food Plot

SEEDS & SCIENCE

Description

Prime Time Brassica is a nutritional powerhouse. This elite brassica wildlife mix contains highly palatable varieties that are also very tolerant to continued grazing. Prime Time Brassica is adaptable to a variety of soil types and tolerates temperatures as low as 10 - 15F. Mix components are subject to change without notice, subject to availability. The function and intention of the mix will remain unchanged.
